

BOARD POLICY

WESTERN IOWA TECH COMMUNITY COLLEGE

Series Number 202.7

Title General Organization and Operation

Policy Making and Planning

The primary function of the Board is to set policy.

The Board delegates to the President the authority to devise means of putting into practice and operation the plans and policies of the Board. Policies may be proposed by any member of the Board, employee, student, or President. Policy proposals shall be submitted to the Board, through the President, prior to a regularly scheduled meeting. Final action to adopt new or amended policies shall take place after having appeared as an agenda item at two Board meetings unless the second reading is specifically waived by motion and approval.

The President shall review policies and make suggestions for new policies or changes.
