CLASS REGISTRATION AND ATTENDANCE REQUIREMENT

You will not be assigned campus housing until you are registered for classes for the term which you are applying to move in. Students are required to attend classes while living in campus housing. Extended absences may result in eviction from campus housing.

COMET BUCKS DECLINING BALANCE FOOD SERVICE ACCOUNT

Every semester that a student chooses to live in Campus Housing during the 2016-2017 school year will be charged $850 to be applied to a declining balance supplemental spending plan for WITCC Food Service. This is not intended to be a comprehensive meal plan and it will likely not cover all of the student’s food needs. These funds can be used at any of the three Food Service locations on campus: The Overlook Café, the Coffee Spot, and the Comet Convenience Store (located in Prairie Place). Students who withdraw from Campus Housing prior to the end of the semester will not see a change in their charges associated with the Comet Bucks, since the student would still be able to use the funds at WITCC Food Service locations even if the student is no longer living in Campus Housing. There is no refund of Comet Bucks if the student chooses not to use them. As stated above, this is a supplemental spending plan and NOT INTENDED TO BE A COMPREHENSIVE MEAL PLAN.

NOTE ABOUT STAGGERED CLASSES (Month Long Classes)

If a student's schedule includes staggered classes, please note that the student must maintain a continued class load to remain in housing. For example, if a student have a class that meets the month of February and another class that meets the month of April, then that student is not eligible to live in campus housing during March and must move out. However, if that student has a class that meets the month of February and a class that meets in the month of April, but also has a class that meets continuously throughout the entire semester, then the student is able to remain in housing. If you are seeking short term housing due to staggered classes, please contact the Campus Housing office as you may qualify for a housing rate that is lower than the semester rate.
